

Accessing and Modifying User Profile settings

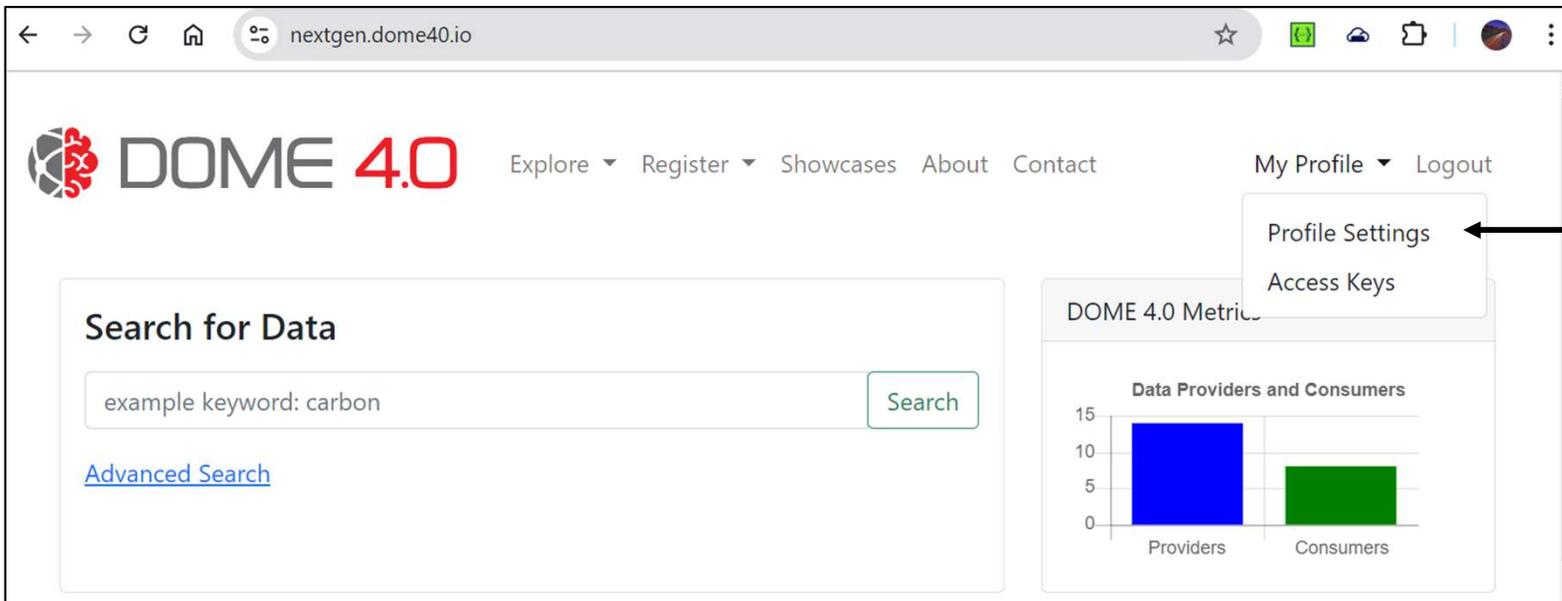

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No. 953163

Profile Settings : features

- This allows users to view their personal information stored on the DOME 4.0 platform.
- Users can modify their personal details such as first name, last name and email address.
- Users have the option to delete their account and remove all personal information from the DOME 4.0 platform.
- Users can also view a list of devices that are currently accessing the DOME 4.0 platform using their credentials.

Steps to Access and Modify

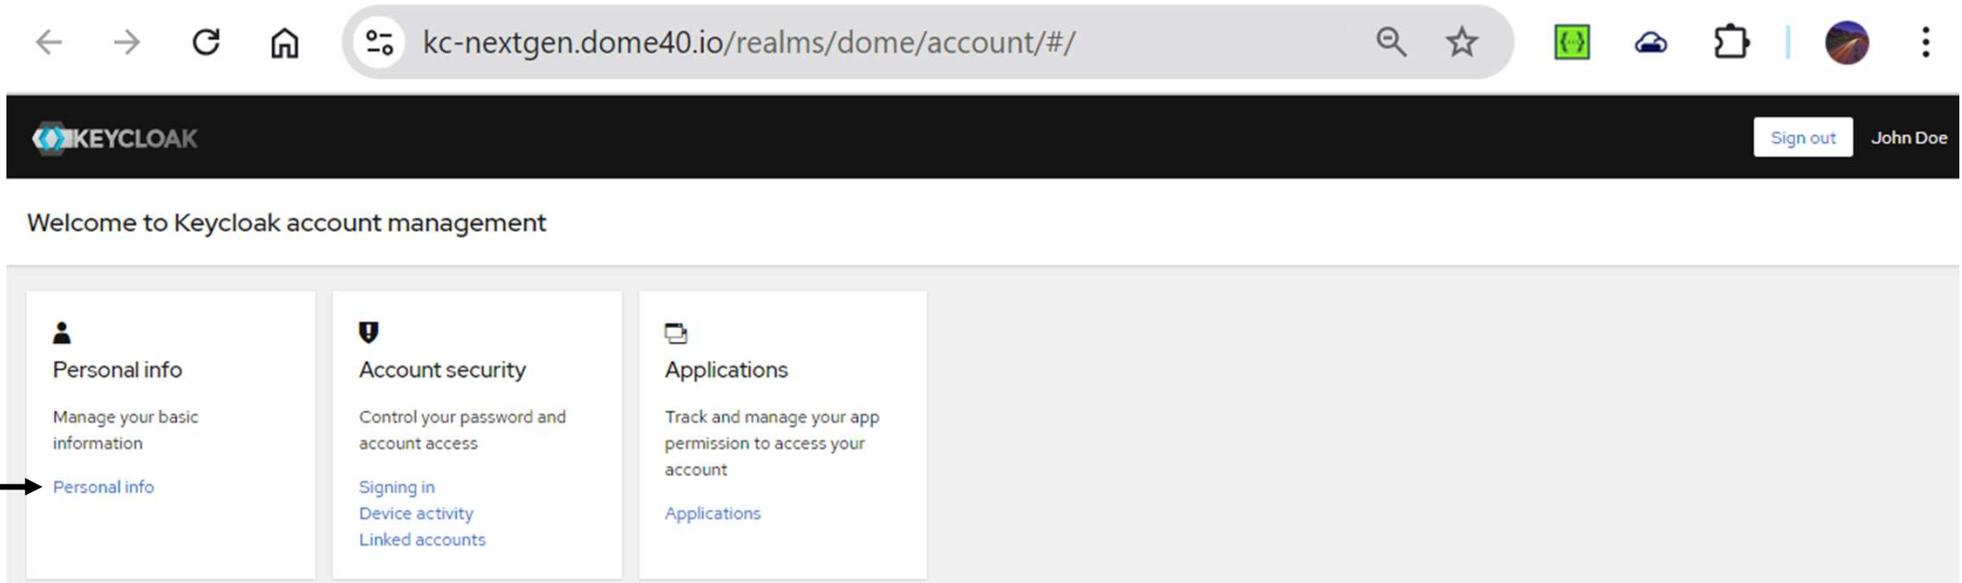

- Step1: Login to the DOME 4.0 platform and go to **My Profile** and click on **Profile Settings** in the dropdown menu.

- This will take you to the account management page

Steps to Access and Modify

 Step2: Once you are in the accounts management page, click on **Personal info**

The screenshot shows a web browser window with the address bar containing `kc-nextgen.dome40.io/realms/dome/account/#/`. The page header features the Keycloak logo on the left and a 'Sign out' button next to the user name 'John Doe' on the right. Below the header, a welcome message reads 'Welcome to Keycloak account management'. The main content area contains three white cards with icons and text:

- Personal info** (person icon): Manage your basic information. A blue link 'Personal info' is highlighted with a black arrow pointing to it from the left.
- Account security** (shield icon): Control your password and account access. Includes links for 'Signing in', 'Device activity', and 'Linked accounts'.
- Applications** (document icon): Track and manage your app permission to access your account. Includes a link for 'Applications'.

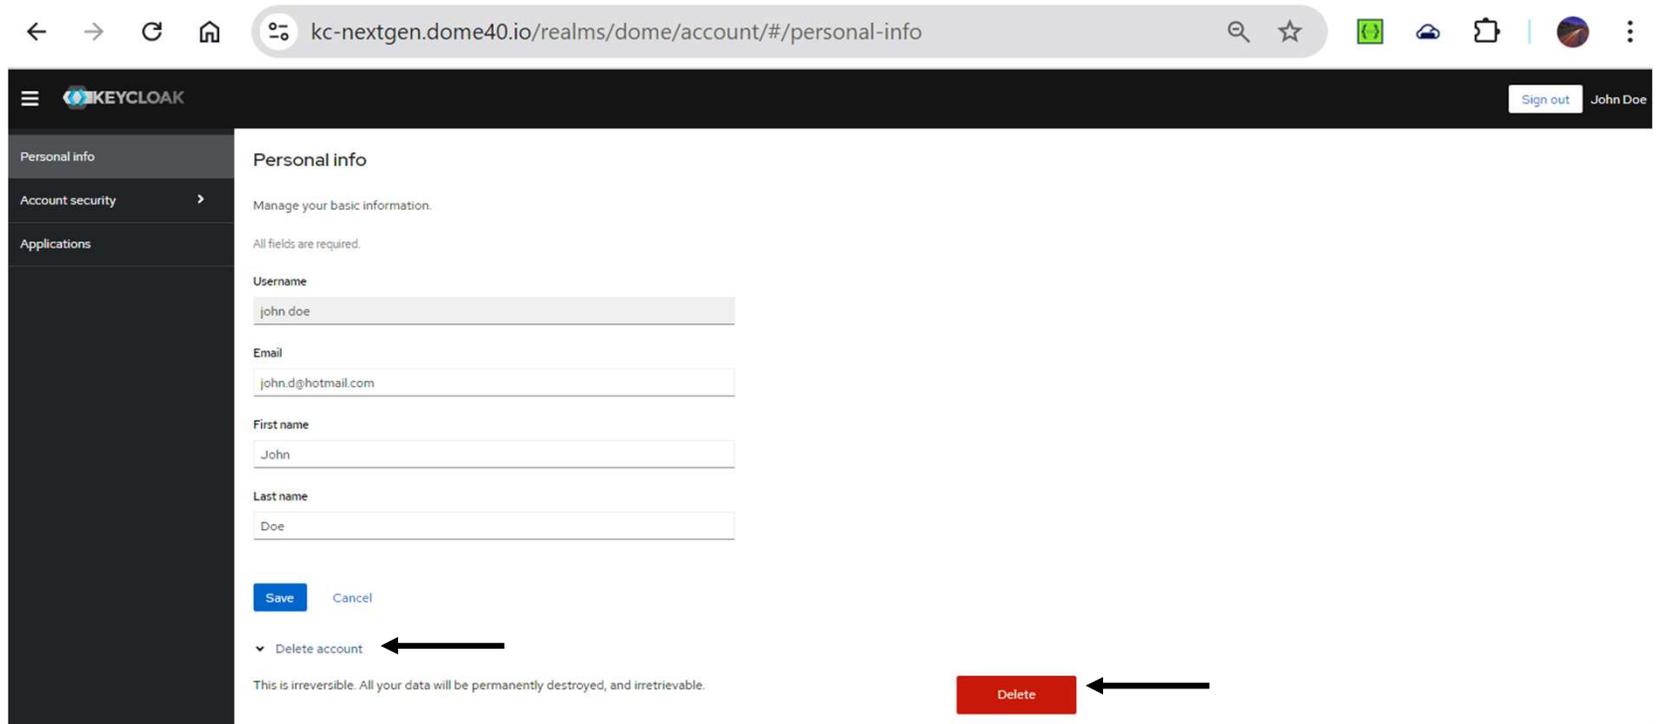

Step3: Once you are in the Personal info page, you can update your email, First name and Last name and then click **Save**.

The screenshot shows a web browser window with the URL `kc-nextgen.dome40.io/realms/dome/account/#/personal-info`. The page is titled "Personal info" and contains a form for updating user information. The form fields are: Username (john doe), Email (john.d@hotmail.com), First name (John), and Last name (Doe). There are "Save" and "Cancel" buttons at the bottom of the form. A black arrow points to the "Save" button. The left sidebar shows navigation options: Personal info, Account security, and Applications. The top right corner has a "Sign out" button and the user name "John Doe".

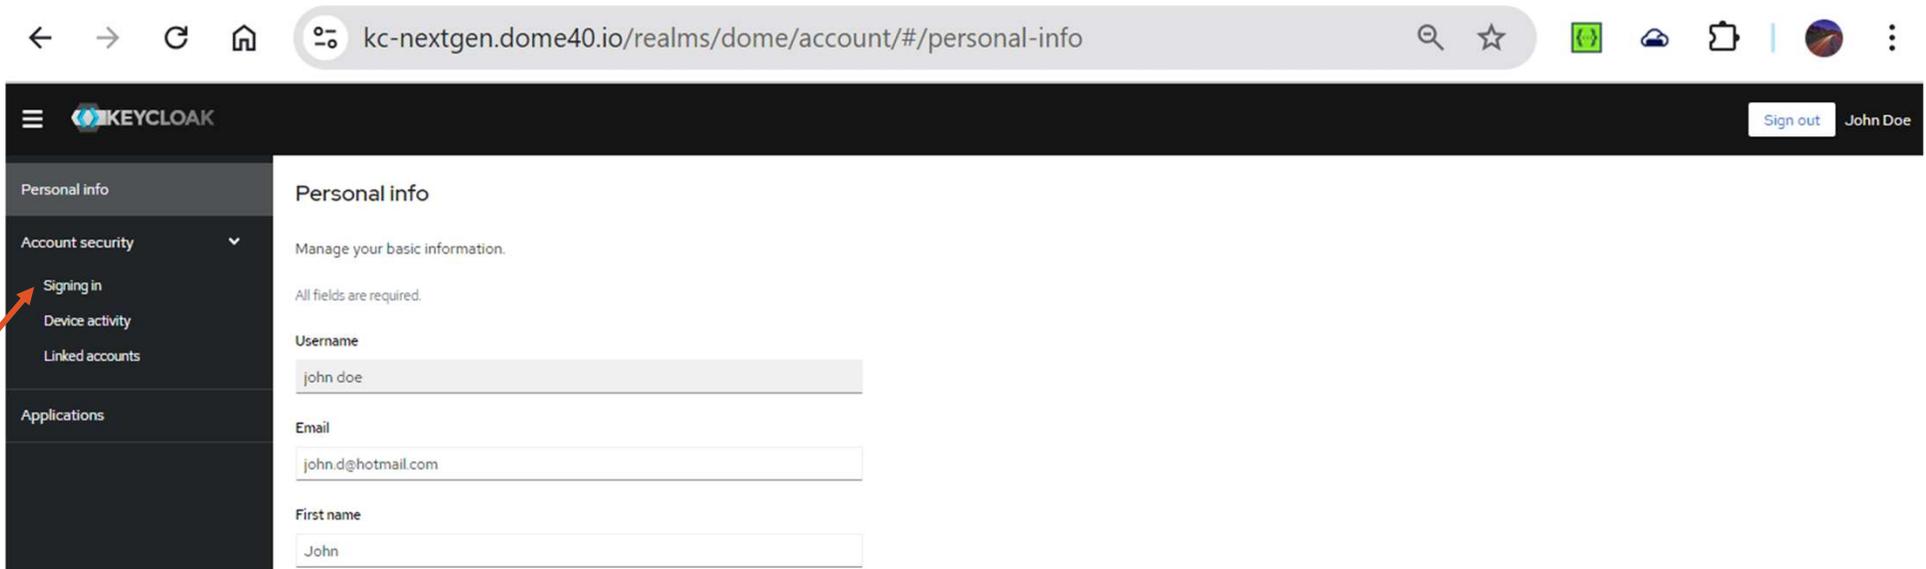

Steps to Delete Account

 To Delete your information from the platform, go to **Delete account** and click on **Delete** button. **This action is irreversible.**

Steps to Reset password

 Step1: Once you are in the account management page, navigate to personal info and then **account security** and choose **Signing in**

The screenshot shows a web browser window with the URL `kc-nextgen.dome40.io/realms/dome/account/#/personal-info`. The page is the Keycloak account management interface. On the left, a dark sidebar contains a menu with the following items: 'Personal info', 'Account security' (expanded), 'Signing in' (highlighted with an orange arrow), 'Device activity', 'Linked accounts', and 'Applications'. The main content area is titled 'Personal info' and contains the following fields: 'Username' (john doe), 'Email' (john.d@hotmail.com), and 'First name' (John). A 'Sign out' button and the user name 'John Doe' are visible in the top right corner of the page.

Steps to Reset password

 Step2: Now clock on the **Update** button

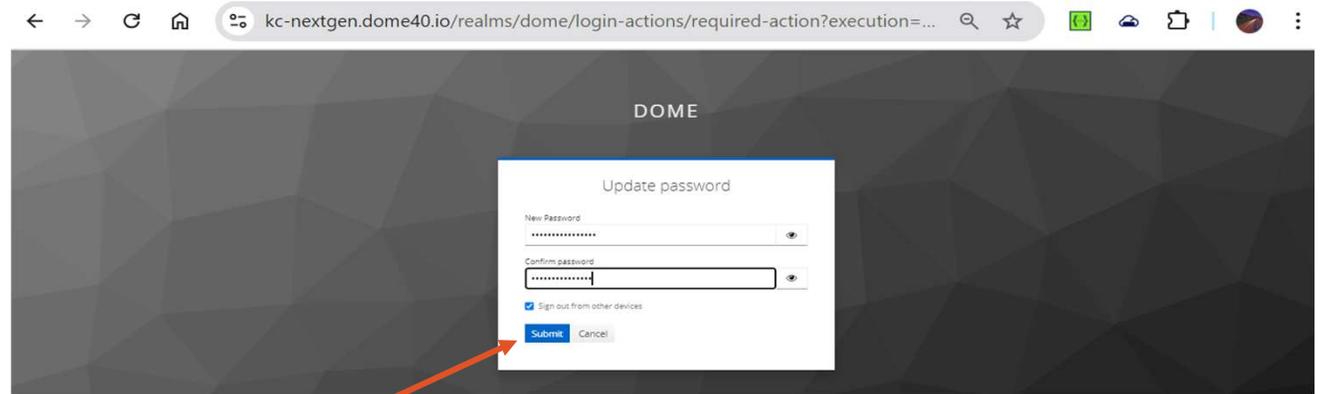

The screenshot shows a web browser window with the URL `kc-nextgen.dome40.io/realms/dome/account/#/security/signingin`. The page is the Keycloak account security interface. On the left, a sidebar menu is visible with options: Personal info, Account security (expanded), Signing in (selected), Device activity, and Linked accounts. The main content area is titled 'Signing in' and includes sections for 'Basic authentication' and 'Password'. Under the 'Password' section, there is a table with one row: 'My password', 'Created', and 'September 30, 2024 at 4:20 PM'. An 'Update' button is located at the end of this row, and a black arrow points to it from the bottom right.

Steps to Reset password

Step3: Authenticate yourself to continue

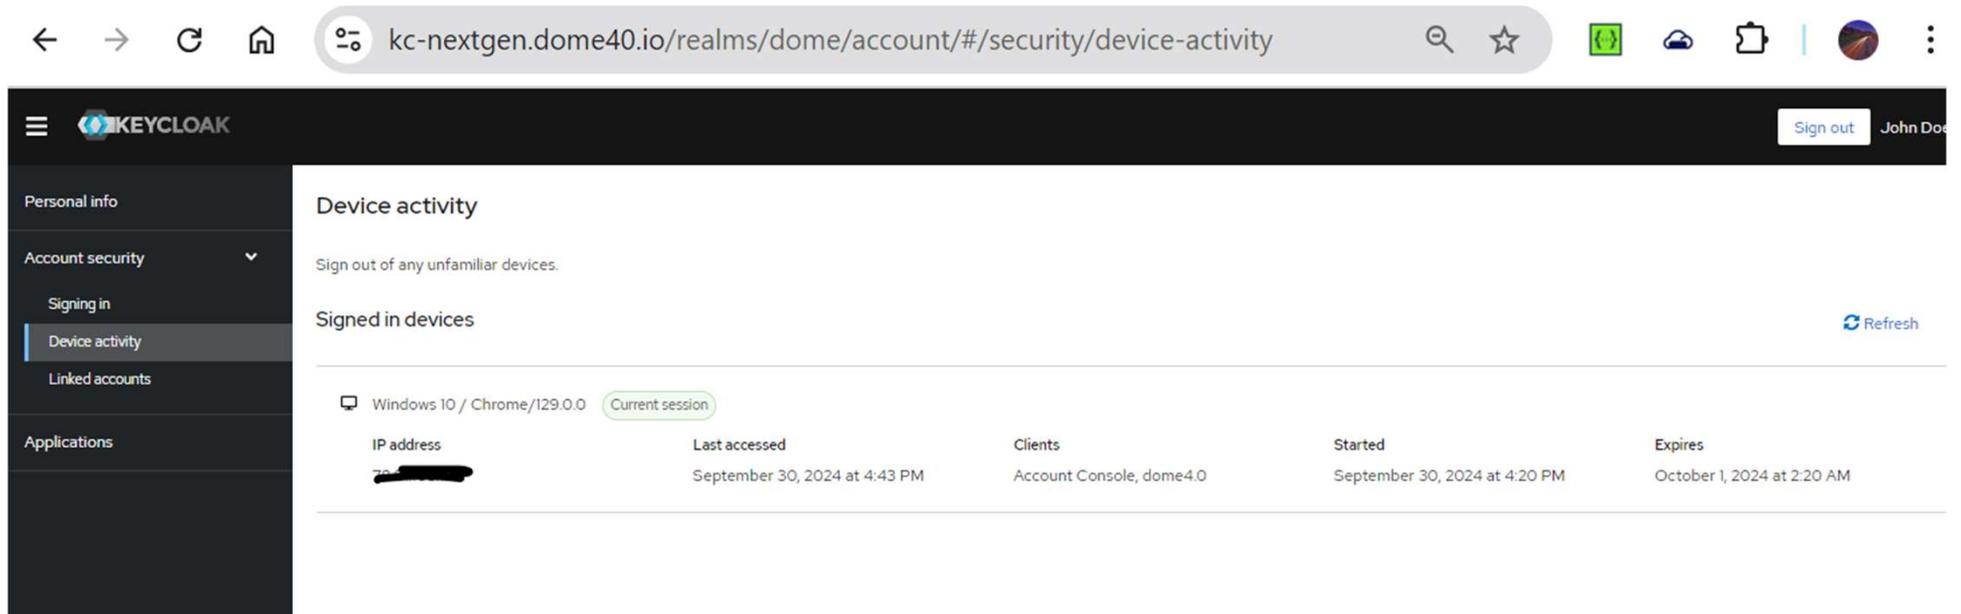

Step4: Enter new password and click Submit

Steps to view device activity

 To view signed in devices, go to **Account security** and choose **Device activity**

Browser address bar: kc-nextgen.dome40.io/realms/dome/account/#/security/device-activity

Page title: KEYCLOAK

Account: John Doe | [Sign out](#)

Account security > Device activity

Sign out of any unfamiliar devices.
